

# Interaction Log

Time Period: \_\_\_\_\_ Date: \_\_\_\_\_

Please use \_\_\_\_\_'s communication device with him / her as much as possible, so that he / she can learn:

- The **meaning** of the words and symbols in it
- The **location** of useful messages in the system
- To **express** himself / herself

Message Communicated	Modelled with client or communicated by client?	Who To?	How Did It Go?	Anything Different to Try Next Time?
